The Real Money Secrets Book

Have you ever wished you
had more money?

I sure have!

Have you ever thought
There Must Be Something
You Don't Know that
would Make a Difference
in Your Wealth?

I have!

See...

My Mom always said,
“You can do anything
you put your mind to.”

Then again,
my Dad always said,
“Money doesn’t
grow on trees.”

(In my Dreams...)

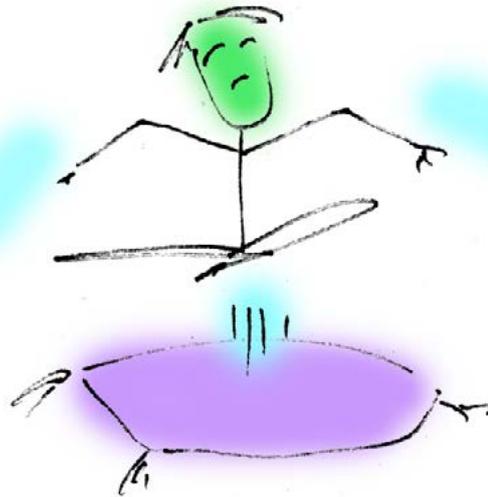

Then again, my HUNA teacher
said, “Everything is Energy.”

New Age teachers said,
“Think positive.”

The Goo-roos say,

“You must Transcend the Body.”

MmmmmHmmm....

People in Business say,
“You have to **Work Hard**
for your money!”

Other people say,
“You have to work hard!
Then you **Die!**”

Huh! That's
exciting, isn't it? Not!

I ask,
“Does **True Wealth** really
have to do with **just**
The Dollar?”

Isn't True
Wealth/Success

?

Heart Thing?

I believe so.

So - how do you define

True Wealth

for yourself?

Are there any Real
Answers?

What really **is**
important?

You've probably heard
many beliefs, myths, legends
and fairy tales about work,
money, wealth and love.

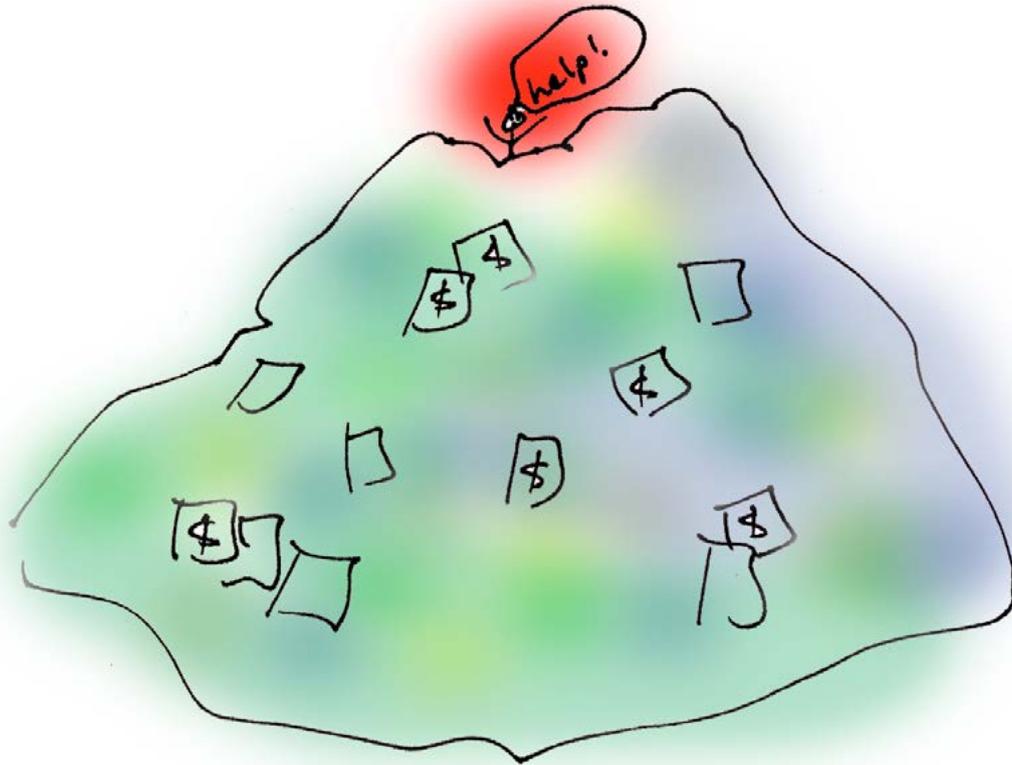

Let's take a little poke at this

Quest for the
Mighty Dollar!

There are so many books
and tapes and programs
about Money and Success
that I feel overwhelmed...

...just thinking about picking any of them!

They all say:

You can be a Millionaire, too!

You can Make More Money!

Get Rich!

Get Money Now!

Success! Prosperity! Abundance!

Love and Bliss and Money!

OooohLala, Baby!

...tapes CDs seminars

workshops teleclasses

streaming video conferences

email courses...

Make more money!

Make a Fortune in Internet Marketing!

Success Made Easy!

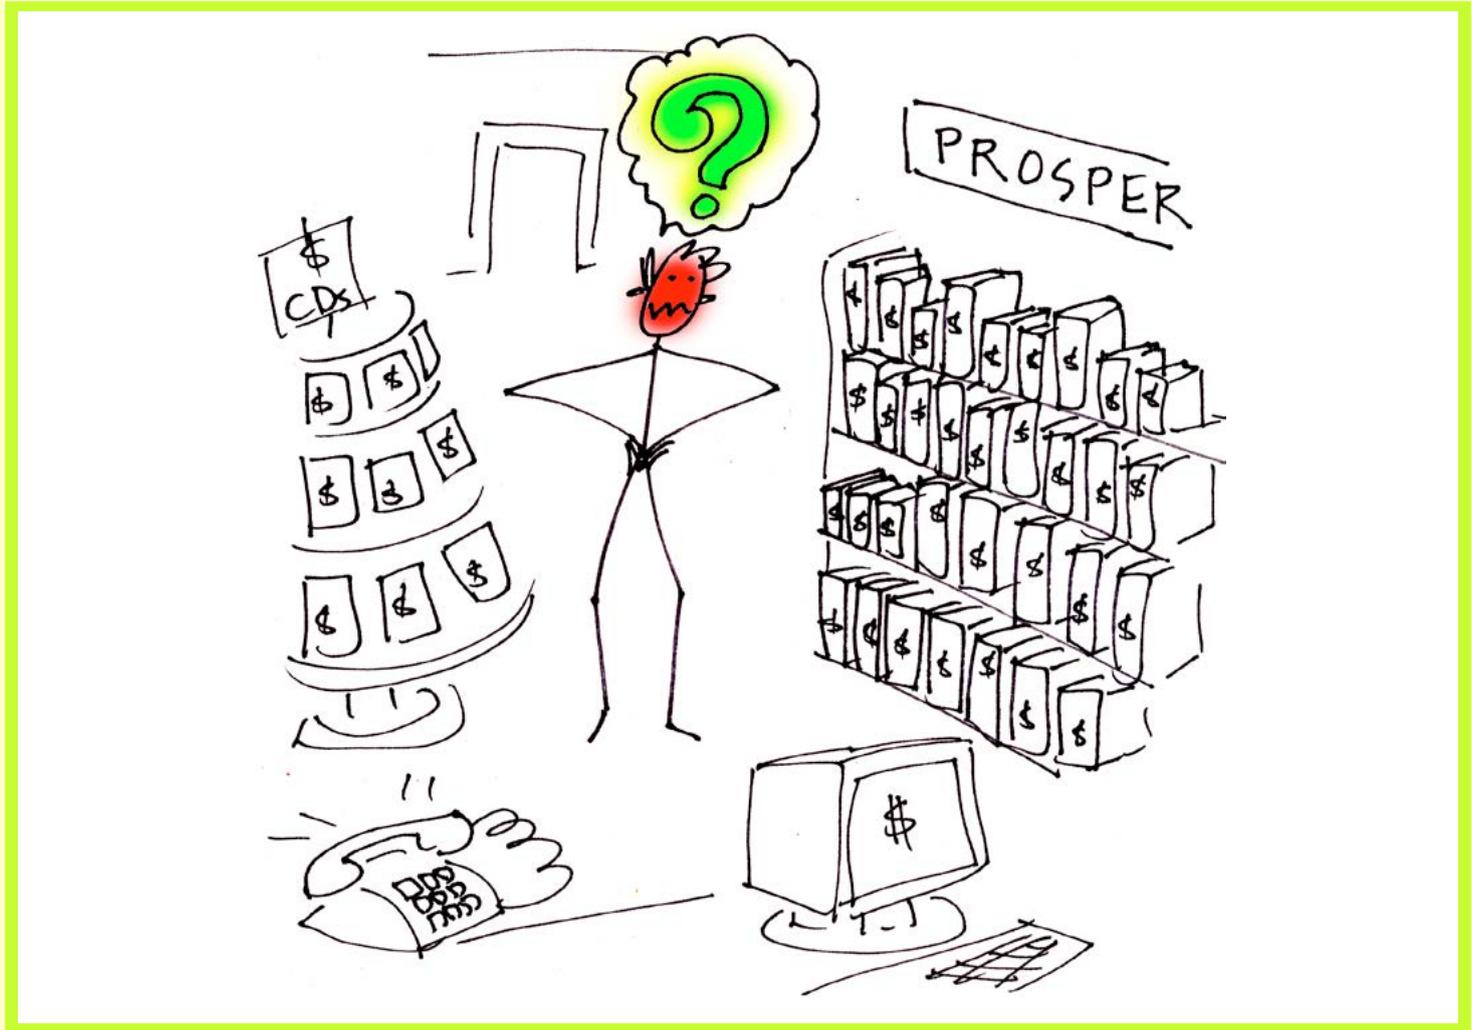

Prosperity for you!

and on and on and

on and on...

Don't you feel just plumb
worn out
by it all?

The Real Money Secrets Book

How do you know
which ones to get?

Who do you listen to?

How do you know
what will really
work for **you**?

They all say:

This book is IT!

This is where you

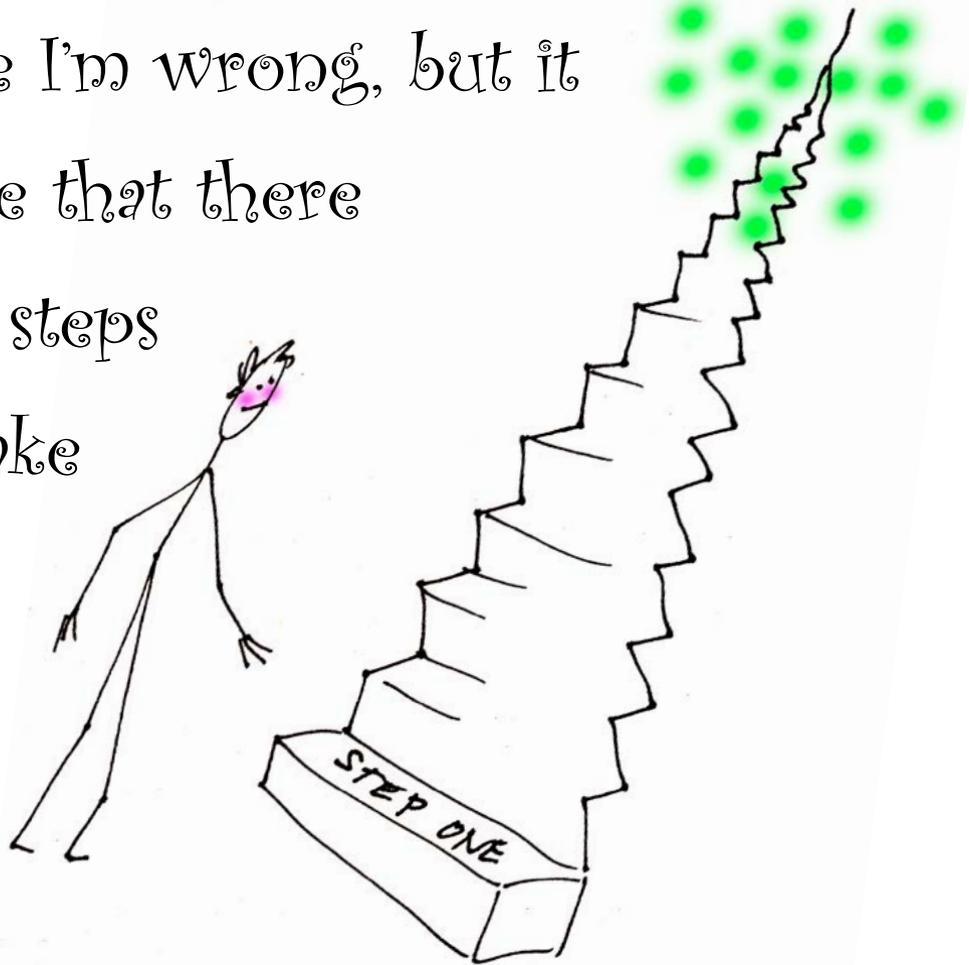

We have

The Answers...

...right between the two ends of
This Very Book! Go no further
on your Quest for Success!

Well, maybe I'm wrong, but it seems to me that there are specific steps one must take in order to actually be wealthy....

...so here are some of the things I have used, read and heard about to make those steps. Take them as you will!

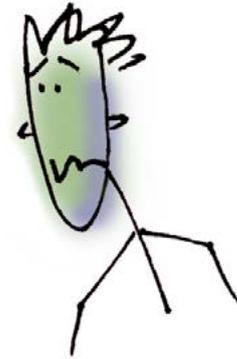

One of the first steps is:

Stop Being so SERIAL!

Er... serious!

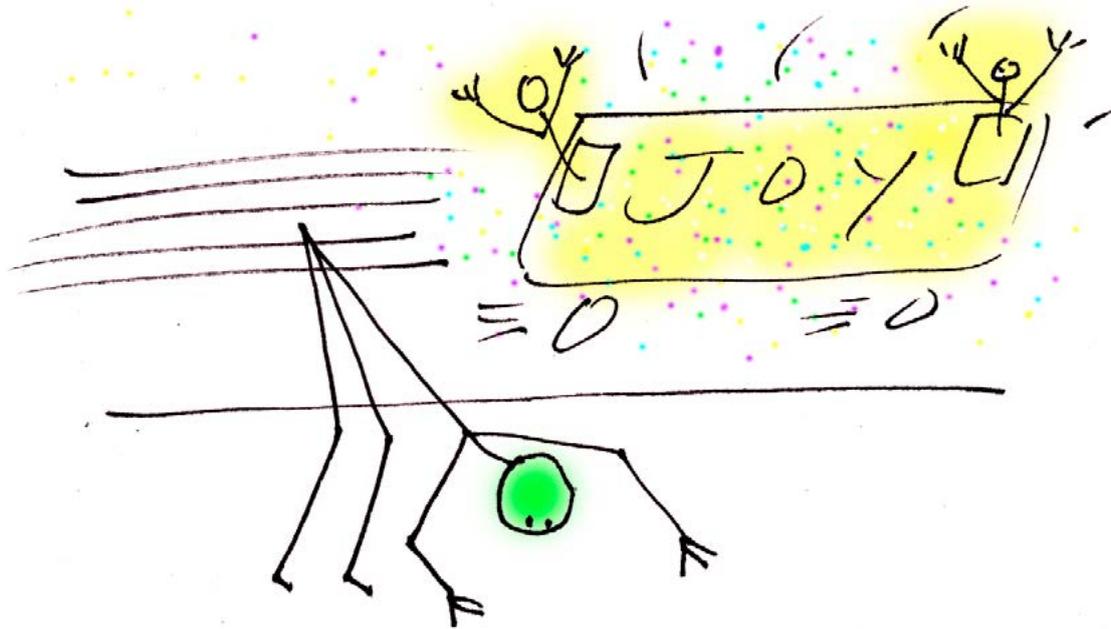

Well, both, actually!

Why? Because when you're too serious, you miss the Joy in life.

When you are bent to the...

...road watching for pennies,

not only does Joy pass
you by, but Life does, too!

How will it feel to get to
The Big Day, about to leave
this world, and you look
back on your life to find
that all you have done...

...was Get By, Work Hard,
Struggle, and Pass Joy By?

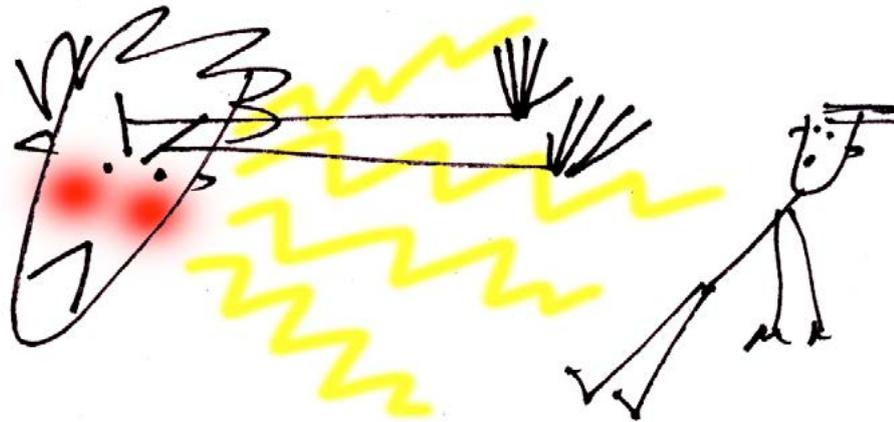

Too SERIOUS!

And way too SERIAL!

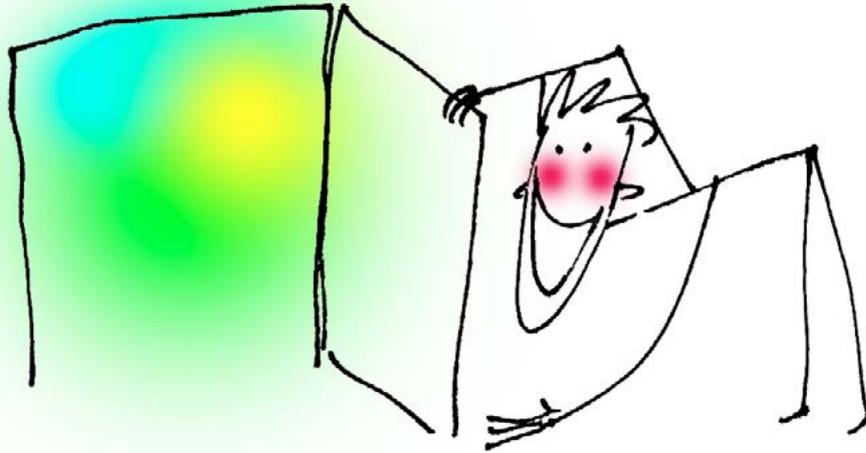

We don't smile enough!

Even when we **know** that frowns

just push people away...

...and a good, open hearty **SMILE** will
open doors!

Pretty simple:

Shuck the frown!

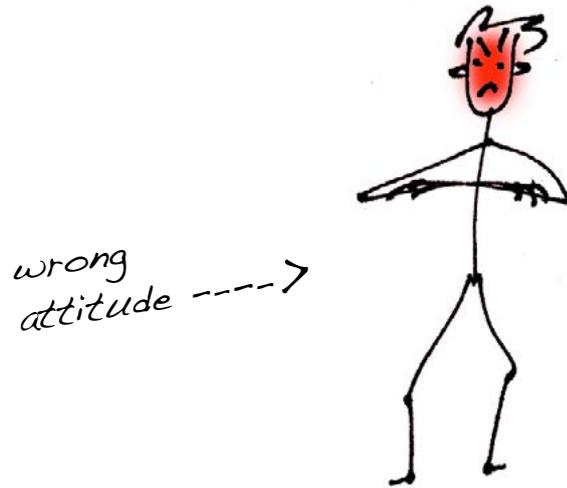

Then of course there is
Gratitude:

Time to
Appreciate!

Appreciate what you've got now.
Even if you live in a shack,
at least you have a shack!

Even if you're a millionaire
dreaming to be a billionaire, at
least you have your millions!

When you appreciate, you
make more **precious** what you
have, see, feel, experience.

There is an old tradition I
know of that maintains that
you can Have, and that you
can **Have More**.

I think that's OK!

It works on the principal of Like
Vibration—a person who HAS has
the Vibration of Having,
and attracts MORE.

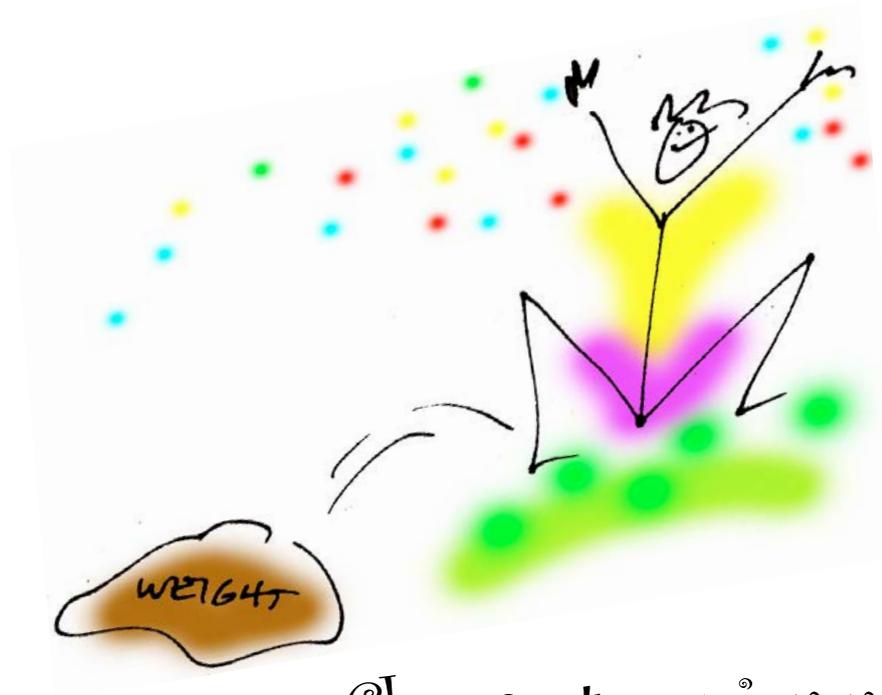

A person who HAS NOT has the
Vibration of Not Have, and loses,
or even pushes away
what he does have.

The Real Money Secrets Book

So HAVE!

And have FUN at having!

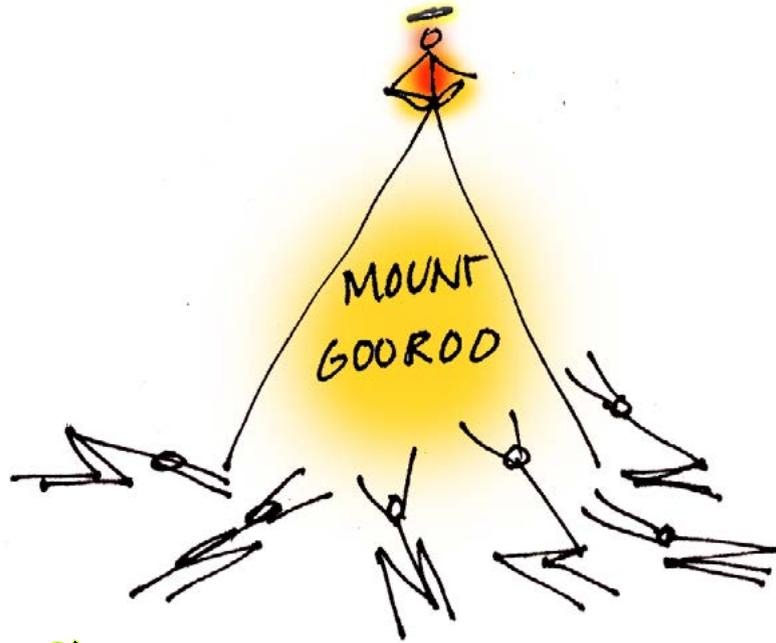

Choose to enjoy your life!

Now that you aren't so **Serial**
anymore, and are choosing to
enjoy life more, the next thing
you need to do is

Fire the GooRoos!

STOP FOLLOWING! No more

BOWING TO OTHERS!

Go right down to the Local Hardware Store, and get some of that gets-rid-of-hard to-remove-stuff goo—you know, that GooRoo GOOP™ ...

...and **USE** it!

Next, go to the Bank.

Open an account.

Put all the money in that
account that you'd have spent
on materials from that GooRoo.

Then...

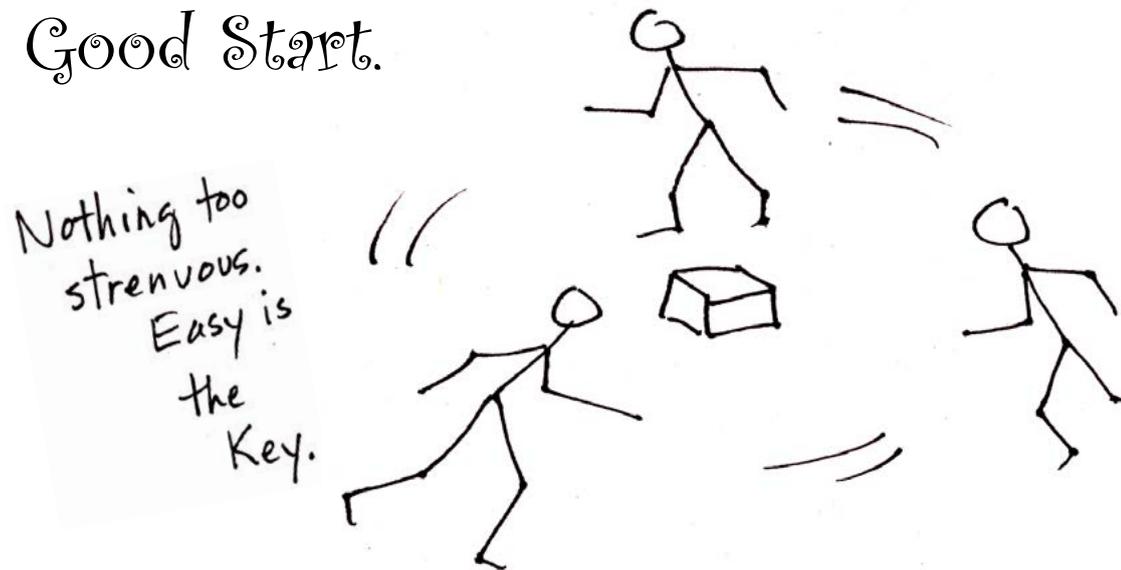

...**spend** that money on Things
that Make Your **Heart Sing!**

Now, since you have spent so much time sitting in Making Money Seminars, and you're all stiff and lumpy, you need to Get Up and **MOVE** around!

Go on! Try it!
It might hurt a
bit at first,
but gradually
you'll be able
to shake 'em up!

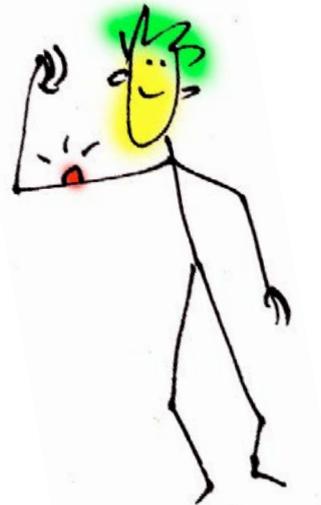

And even if a long walk is out
for right now, maybe a little
Walk Around the Block is a
Good Start.

You want to start your Money Muscles Moving. See, if we truly are ALL One, then **Body Muscles ARE Money Muscles!**

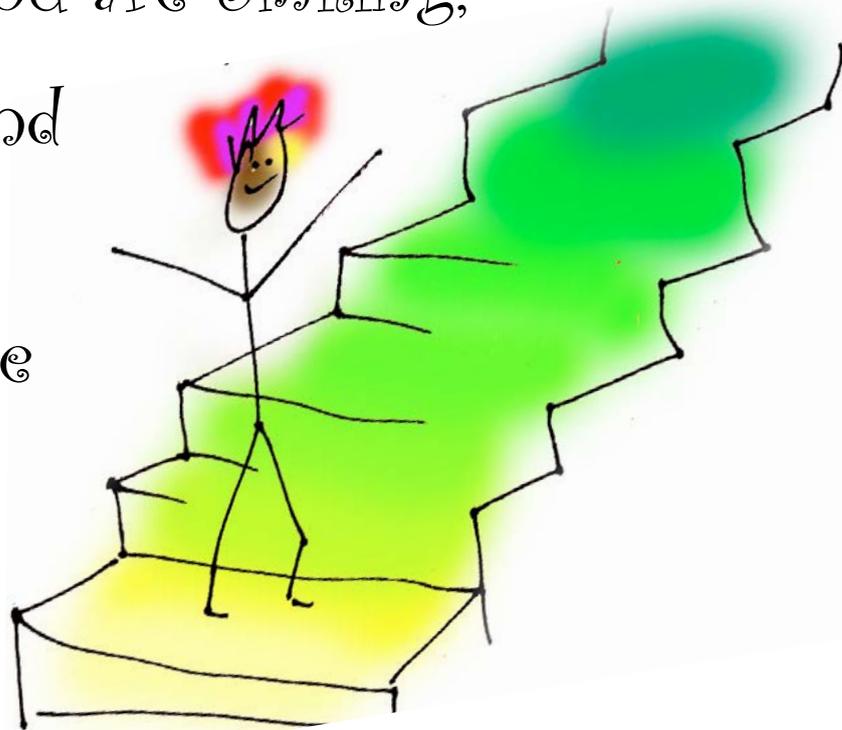

And just like they say, muscles atrophy with non-use. So **start using**

your Money Muscles every day!

Now that you're free of Seriosity and
Seriality, and you are Smiling,

De-Gooped and
Muscularly
Mobile, you're
ready for the
Next Step.

BIG AXIOM:

You Don't Make Money.

The Mint does. If you make money, it's called counterfeiting, and you can go to jail for that.

Big goof!

No. What we do is:

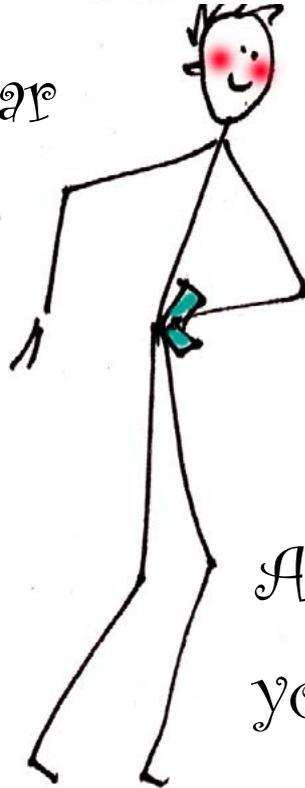

ATTRACT money!

There are several

(many, actually) ways to do it:

Become a Money Magnet.

Put a dollar
(of any
denomination)
in your
waist band.

note (of any
denomination)
in your
waist band.
Leave it there
all day.

As the day goes on,
you will feel it as...

...it pulls in money!

Like attracts like, right?

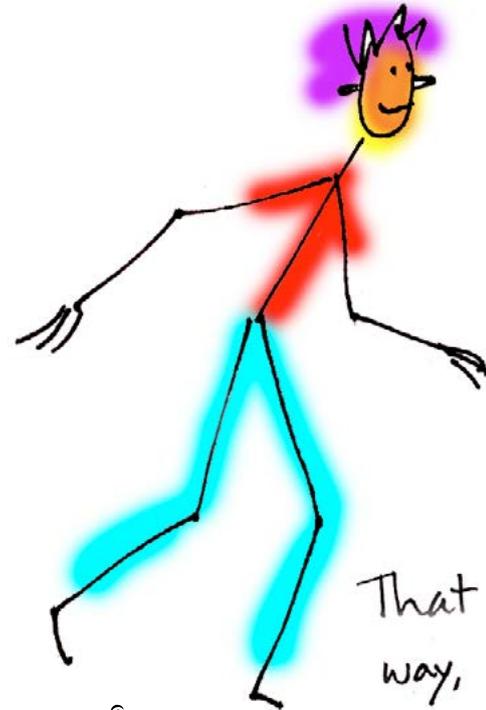

By sunset, you'll
have a veritable
Flash Flood of
money following
you home!

Make like Hansel and
Gretel.

As you go about your
day, going from
Here to There,

mark your Path with Pennies...

...the dollars
will know the
Way Home to
your wallet!

Now. I ask you,
“Does **True Wealth** really
have to do with **just**
The Dollar?”

I don't think so!

But—how does one go about
manifesting Real Wealth?

Perhaps the Old Sages knew what
they were talking about when they
taught their disciples about **Chanting
Mantras**. There are...

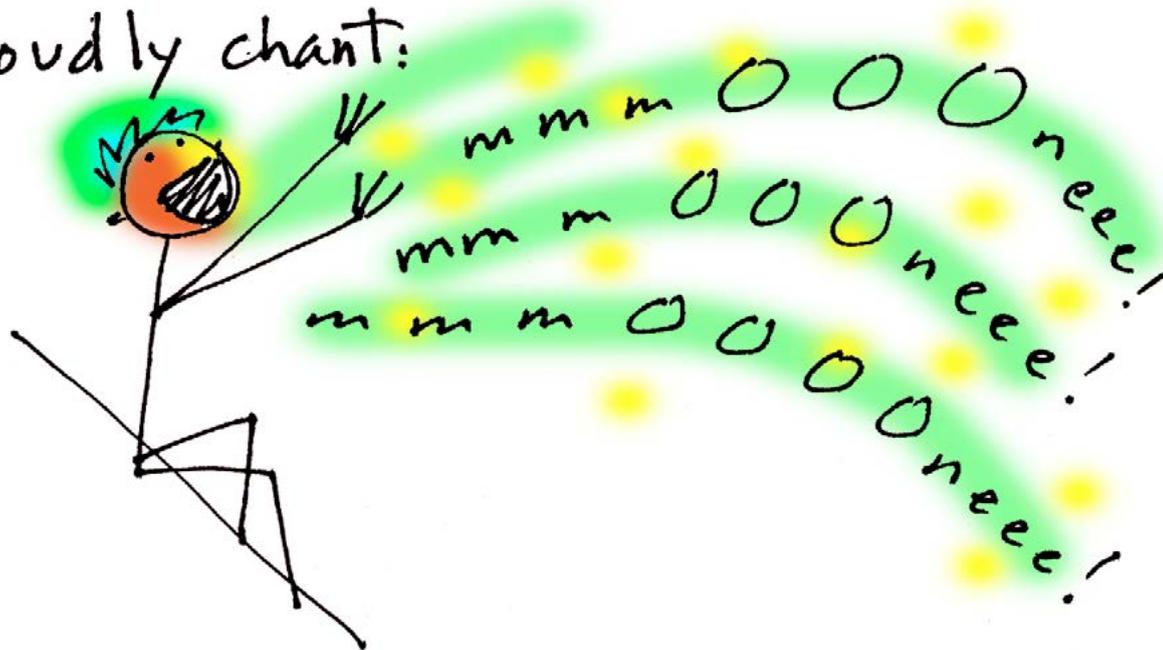

Money Mantras:
three types of chants.
①

The Prosperity Mantra
When you get up in the morning...

...make sure you do this

Powerful Prosperity Mantra:

Loudly chant:

This one is generally known to be a
Particularly Powerful Chant.

As is generally accepted, the Cosmos is
made up of Energy/Sound/Vibration,
and **Like Attracts Like**.

Try chanting the Powerful Prosperity
Mantra on your way to work. As you

drive, Money hears you call it, and
comes flying right to You!

Soon all the empty spaces in your
car will be overflowing with Money!

(2.)

The Secret Wonderful Womantra.

This is a **Womantra** only the **Elite** know, revealed here for the First Time Ever.

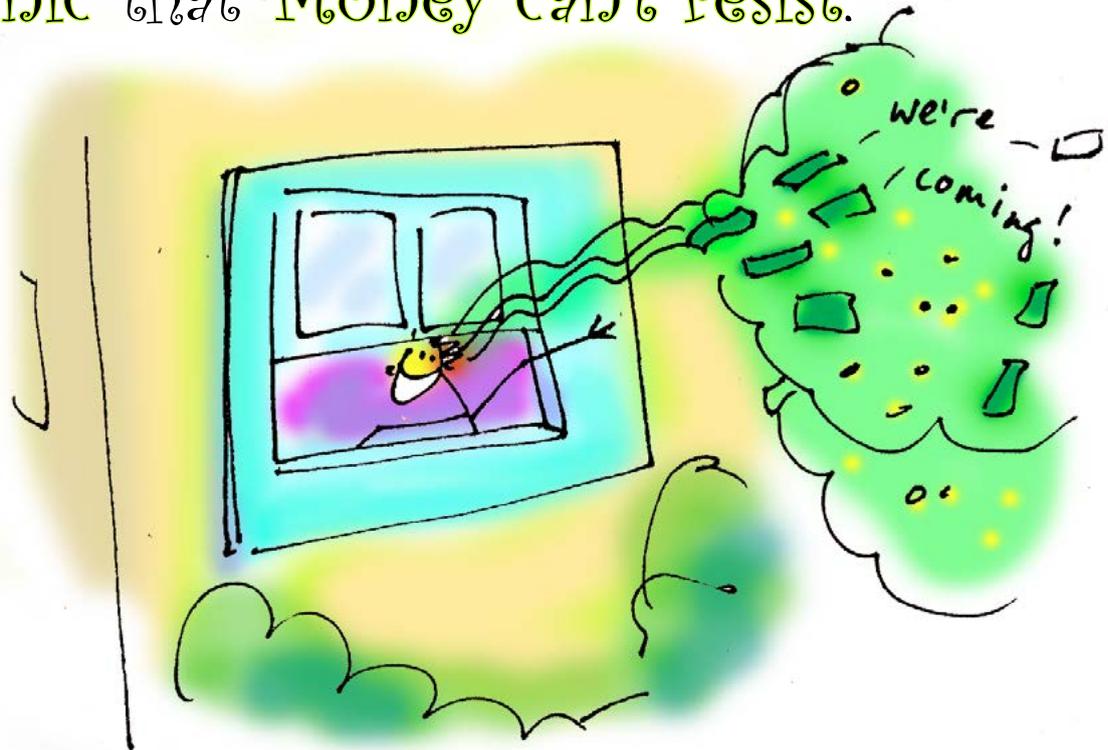

As you cook your meals (dinner, in particular, as this time of day is very powerful, being the Shift Between **Day** and **Night**), it is...

...very effective to hum:

...very softly and lightly...

...does the trick, setting up a Vibrational Harmonic that Money can't resist.

3.

The Dynamic Dogtra.

This is not to be confused with **DogMa**, a very limiting and confusing energy that is to be avoided at all costs.

The **Dynamic Dogtra** is done at the Full Moon, and on the Occasional Blue Moon.

Make it a Special Gathering

by having your Friends and Family over. In the backyard, have a BBQ, and sit around making lists of what you would like to do with the Money you will get. Then, when...

...everyone is ready, let the Chant begin!

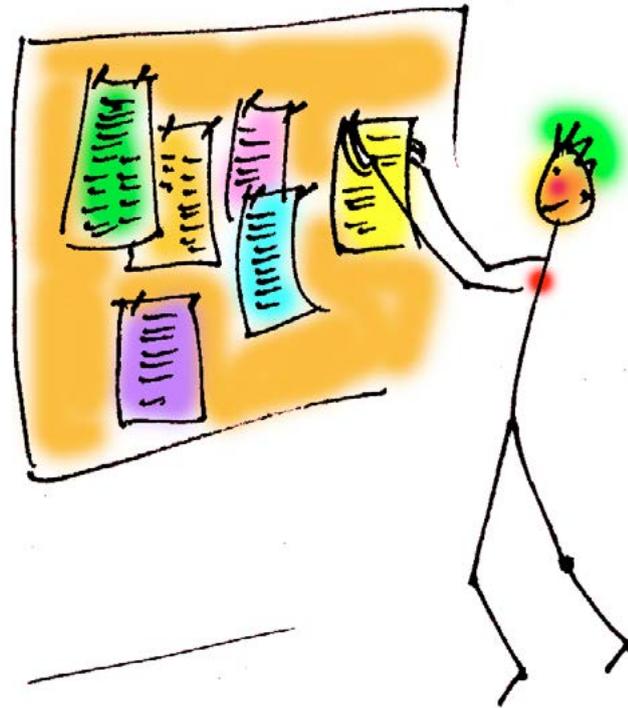

Many uneducated people have (wrongly) likened the Dynamic Dogtra to the Howl of the Wolf, but that can be forgiven.

To be effective, the Chant must begin softly, and escalate into a full Om in the middle, softening again at the end.

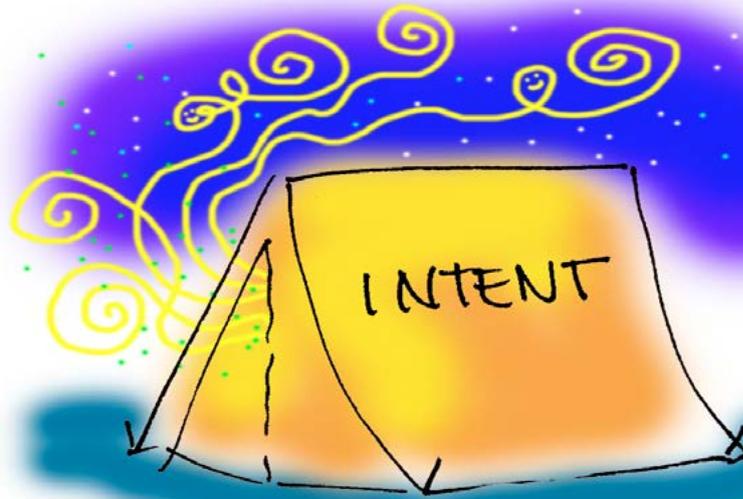

As with the Mantra and the Womantra,

the Dogtra will attract Floods of Money to the Chanters, so you must be prepared.

The way to prepare is to make careful lists of exactly what you intend to do with it once you have it. Elsewise....

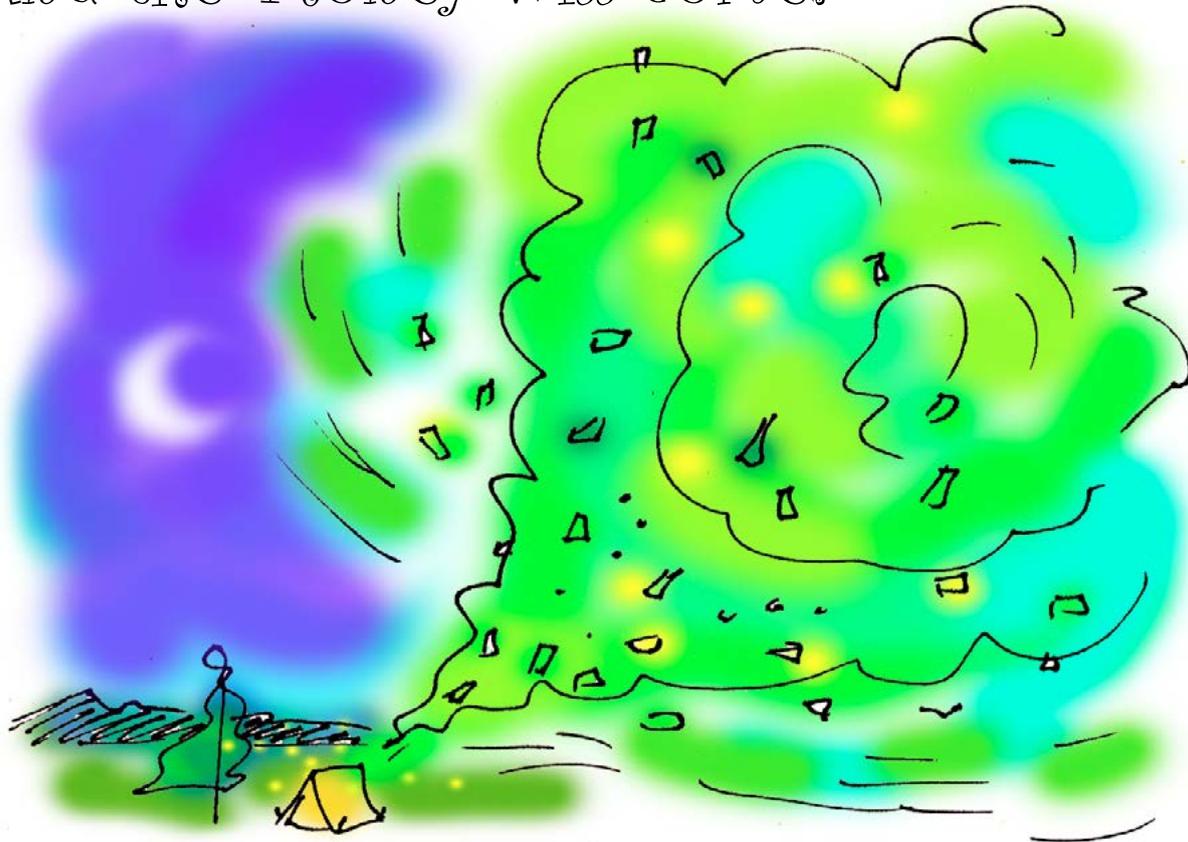

...without a Place for the Money to come to, how will it know where it's Welcome?

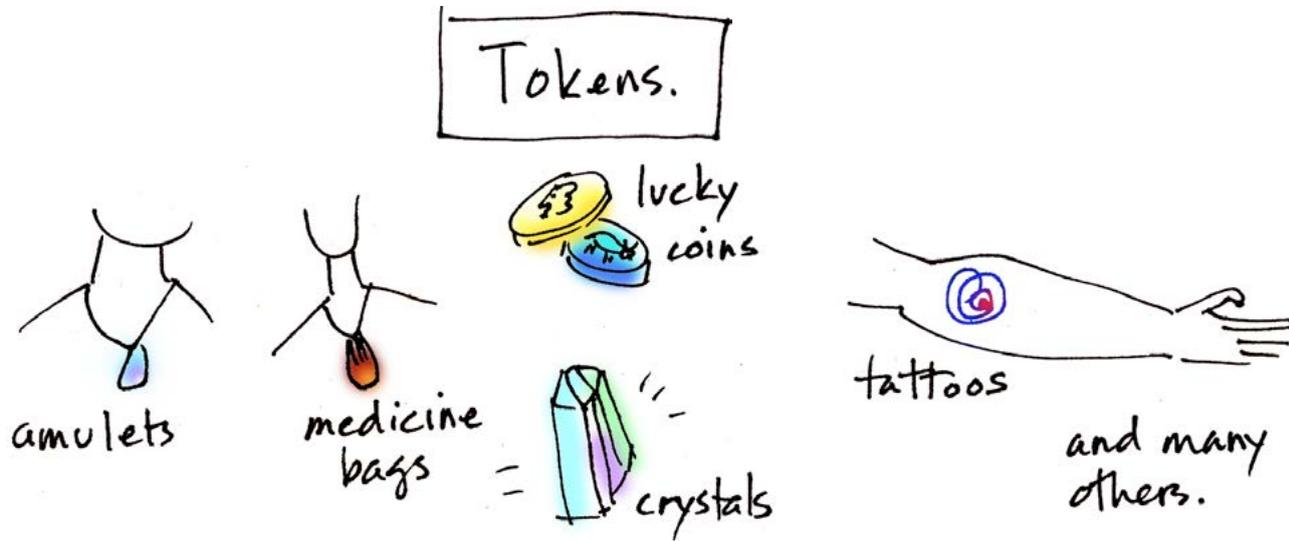

Make sure you have Strong Intent.

Go there, and make your **Lists!**

And the Money will come!

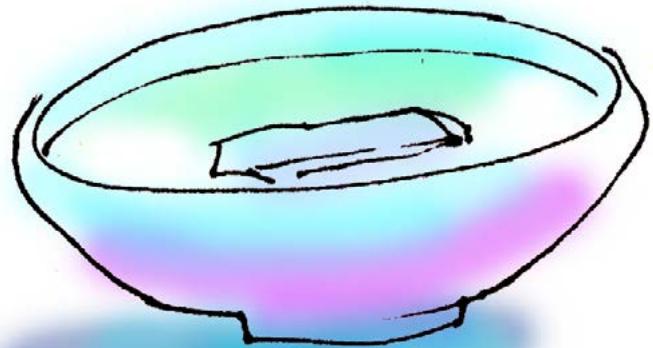

Using and wearing Tokens of
all sorts is another very Powerful
Tool for *Attracting Money*.

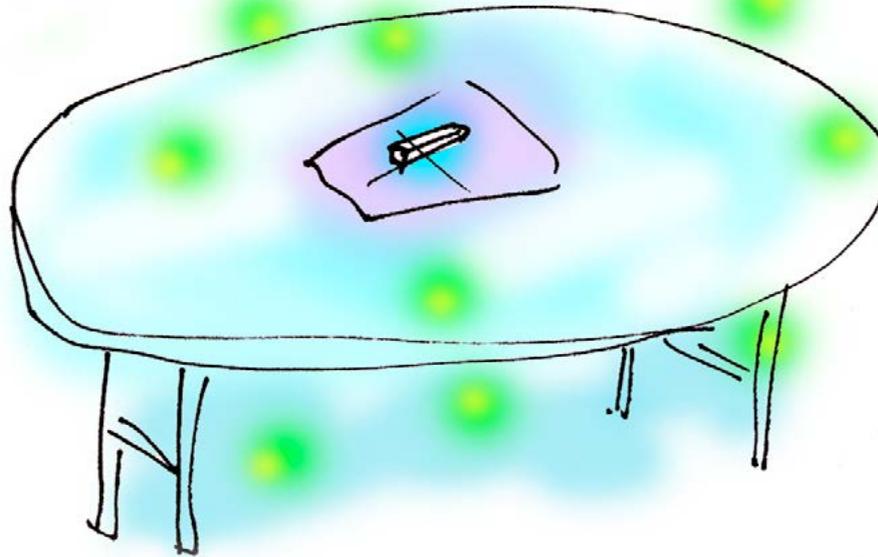

The Plain, Unobtrusive, Pretty Quartz Crystal is very handy. These are available almost anywhere for very low cost.

Immerse your new crystal overnight in clear Springwater, or in a bowl of Sea Salt to cleanse it.

Rinse and dry it off the next morning.

Now, Program it to **Attract Wealth**:

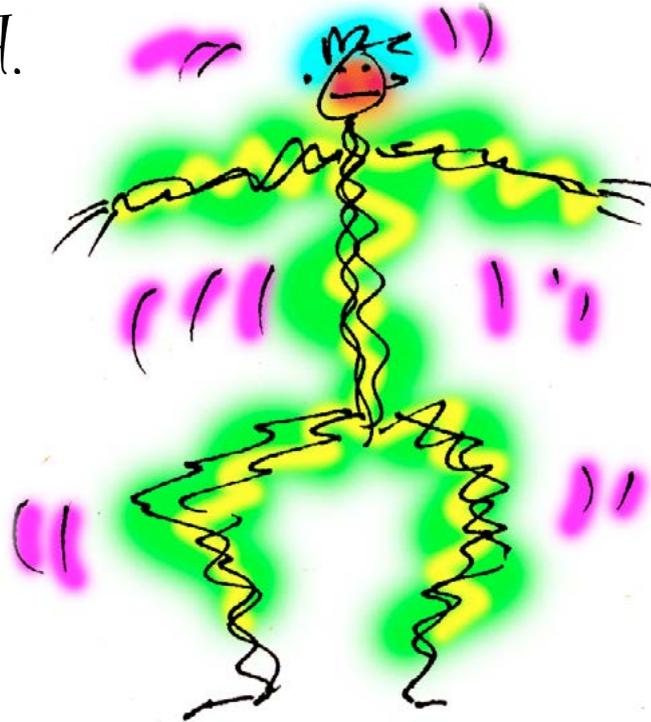

a. Place it on a Clean Cloth on your table.

b. Remove all the chairs from around the table. Now, as fast as you can, **RUN** around the table eight full turns anti-clockwise.

c. Next, shake off the Vibrations
you just unwound.

Shake as
Vigorously
as you can!

d. Now, with your crystal in your hand,
walk clockwise

around the
table. As
you walk,

sing...

Moh nee Moh nee
Moh nee Moh nee Moh nee

as you go.

e. Then, **STOMP**
your feet eight
times as hard as
you can!

At the end, yell

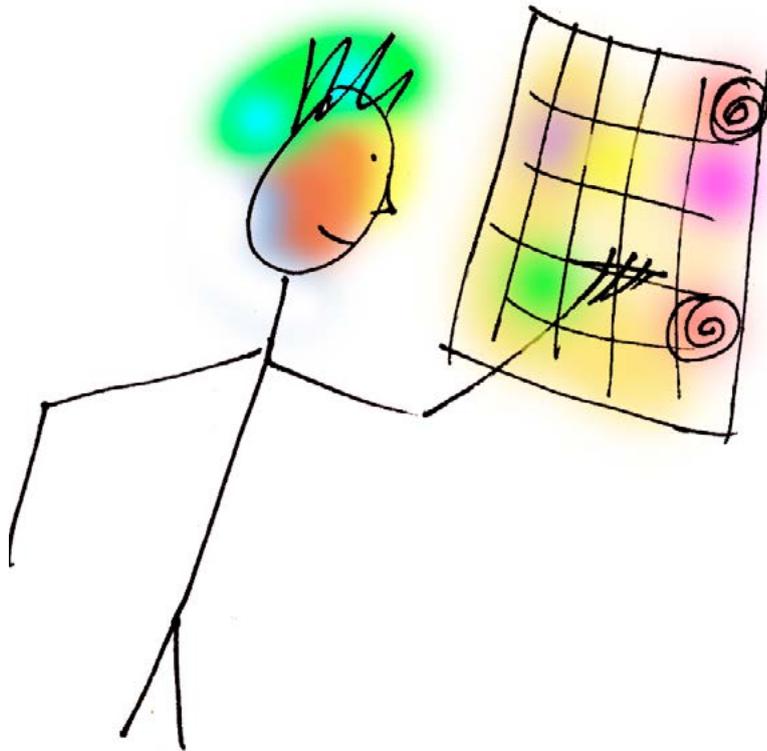

f. Next, crystal in hand, walk around the table clockwise, chanting The Chant.

When you get to the end of the 8th round, hold your crystal up to the sun, and shout

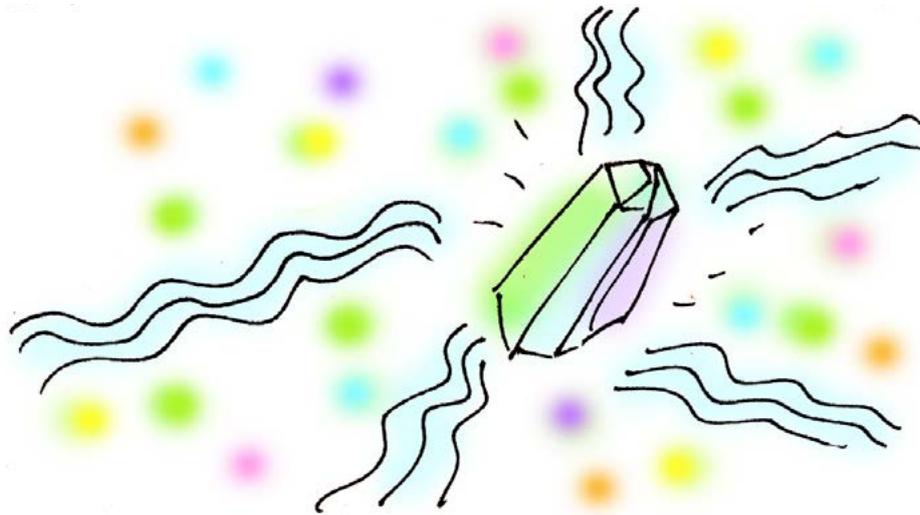

g. Place your newly Programmed crystal in your wallet, purse, or Medicine Bag, or on your Special Money Altar to **Attract Money**.

h. Remember to mark your calendar for

regular Cleansing,
Unwindings and
Programming
(once or twice
a year will do
very nicely).

This same process can be used for any precious object, pebble, amulet, etc. Remember, the

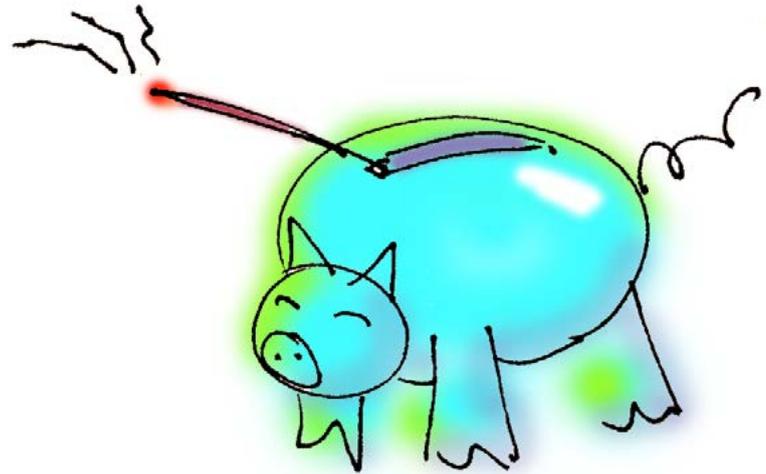

Whole Idea
is to Infuse
the Energy
of your
Intent to
vibrate,

radiate, so its Like attracts other Likes to it.

In-Cents

In-cents come in many flavors, scents and forms. Almost any good Health Store or Feng Shui Shop has good In-Cents.

Always burn your In-Cents in a safe place...

...closing your eyes as you **Visualize Money** coming to your home, office, shop, store or warehouse, on and offline businesses, and your investments & bank accounts.

Chant the Money Chant
in a soft, rhythmic way.

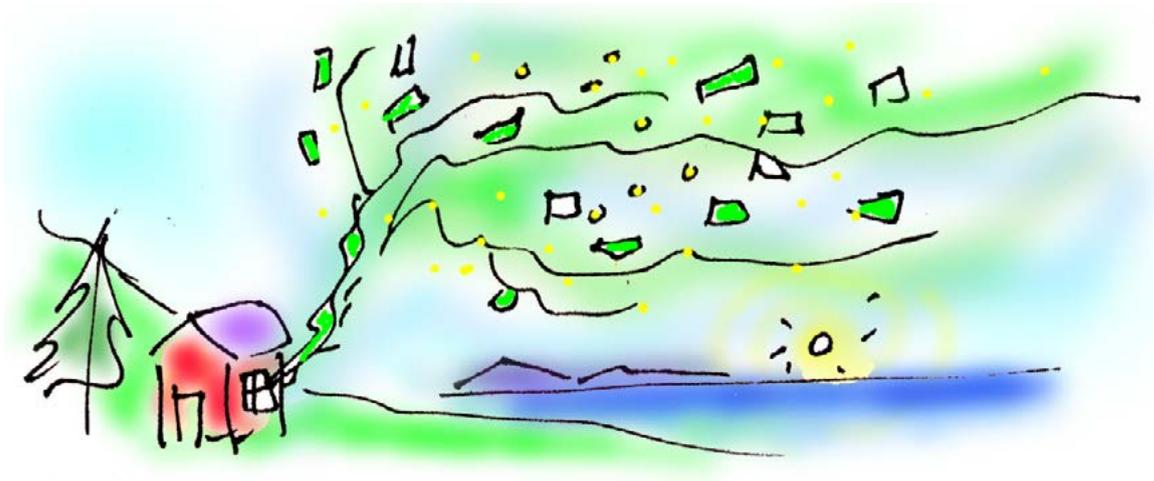

Only open your eyes
when you feel Cent-ered.

As you probably already know, SubConscious Mind believes everything it hears and sees. The more you happily chant "I'M RICH!" the more you replace your old, "I'm POOR!" Consciousness.

In-Cents works through the Principle of Attraction, Like-Scent attracting Like-Scent...

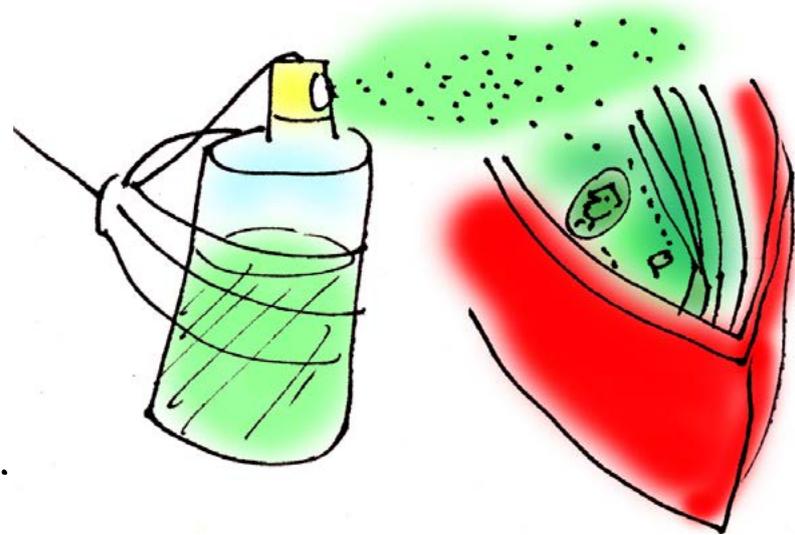

...its smoke wafting out to the Wandering
Winds to attract Wealth to you...

...wherever you are.

Money Come Quick Spray

This is a small bottle of a Light, odd-but-nice-smelling spray from Concentrated Oil of Dollar and Pure Sweet Spring Water. Spray it right into your wallet.

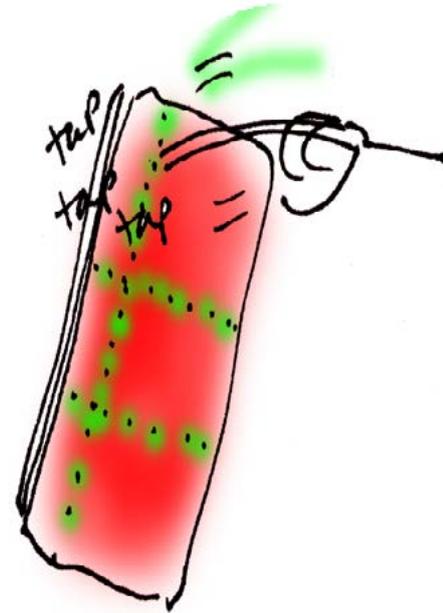

There are other sprays and oils:
Fast Buck Success Oil is very popular.
Money Madness is a Prosperity Powder
people who gamble and want good luck
sprinkle around themselves like Fairy Dust.

Find it all at your Friendly Local
Success-Without-Effort Shoppes.

In case you experience **Guilt** at the thought of Acquiring Money Without Effort, find and learn FFT, the Financial Freedom Techniques.

Using Ancient Acu-Tapping Methods, you firmly tap on the Acu-Tapture Meridians of your wallet.

This releases old, stuck Poor-Me Energy, which results in a **Free Flow** of Money in and out.

Inner Training

Inner Training is something you must do for yourself, since no one can climb into your mind and do it for you. So it's not only cheap, it's free. You can do it at your leisure in the safety and comfort of your own home or space!

To be successful in your Inner Work,
there are a few **Inner Characters**
it is Essential to meet, and with whom
you must become familiar.

Your Inner Child

Your Inner Child can—and will—change ages at any given time.

Be prepared to interact with a mature-sounding 15 year-old who will change into a pouting two year-old at the drop of a hat.

The important thing is to always be aware of your **Inner Child's** Well-Being, happiness, and safety. For instance, taking your Inner Child to a financial meeting at work can be a disaster—both for the Child and the Meeting.

So make sure to leave him or her in Inner Child DayCare when you go to Meetings not appropriate for someone so young.

Your Inner Child can be
Great Fun, as well. Be sure
to allow his/her influence to
come out in any party, movie
amusement park or art-time!!

Your Inner Banker

Another character you want to know is your Inner Banker. No one told us we even had one when we grew up, so many of us have had a hard time handling money.

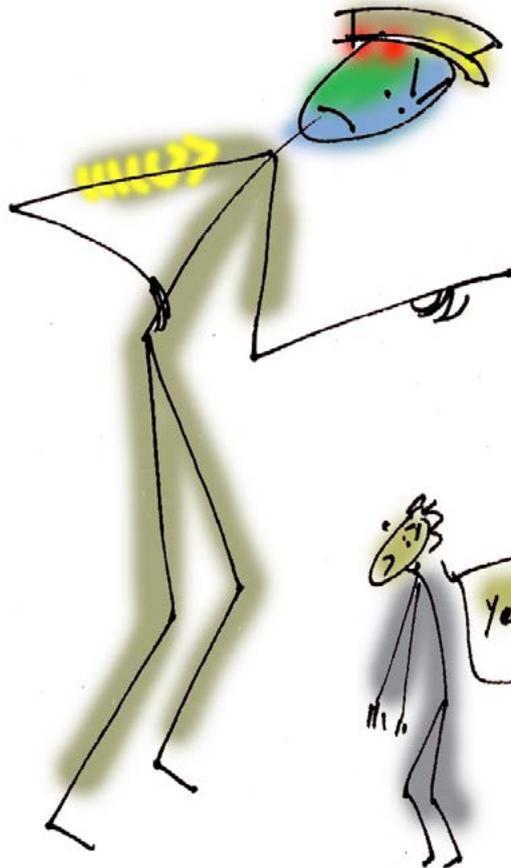

Find your Inner Banker. Make Good Friends. Sit down and have a chat about your financial situation goals, needs, and...

...appropriate timing for Things to Unfold. Be patient as they do.

There is one more Character who definitely needs to be introduced.

This is a **Tough Character**, and has the ability to change guises often.

This is **Dictator Should**.

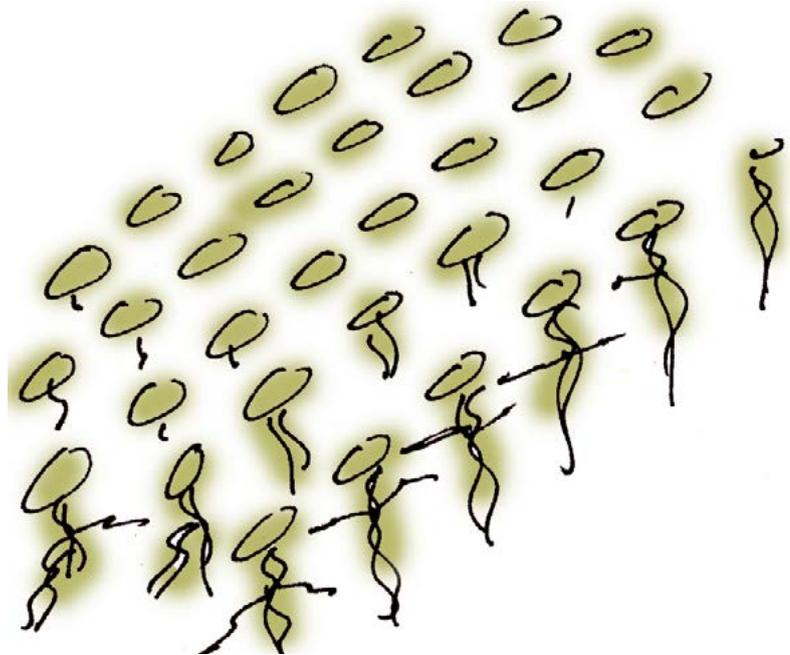

He usually sounds like
one of your parents, and
he's always nagging you

to do things you
Don't Want to
Do—but **you** agree
that "you should."

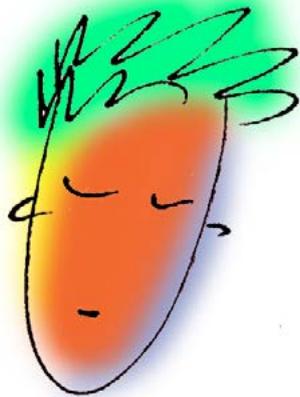

When things don't Go As They Should,
Dictator Should's First Officer, General
Worryissimo calls up his Worry Army to

VIBRATE
WORRY
all through
our bodies.

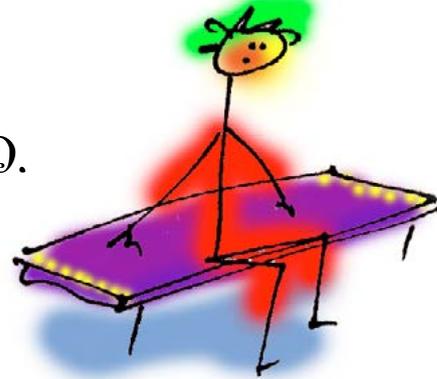

Pretty soon, you are so Worried
about What you Should Do (or

Not) that you are
totally incapable of
Clear Thought.

This is exactly when you need
to go into Right Action.

Sit right down.

Close your eyes.

Start chanting the following:

o o o o o o o o o o o o o
m m o o o o o o o o n e e
p a a a A A A A A a a y m e e
N o o o o o o o o o w

(If you Listen Closely, it sounds like someone saying, Ooooo Money Pay Me Now)

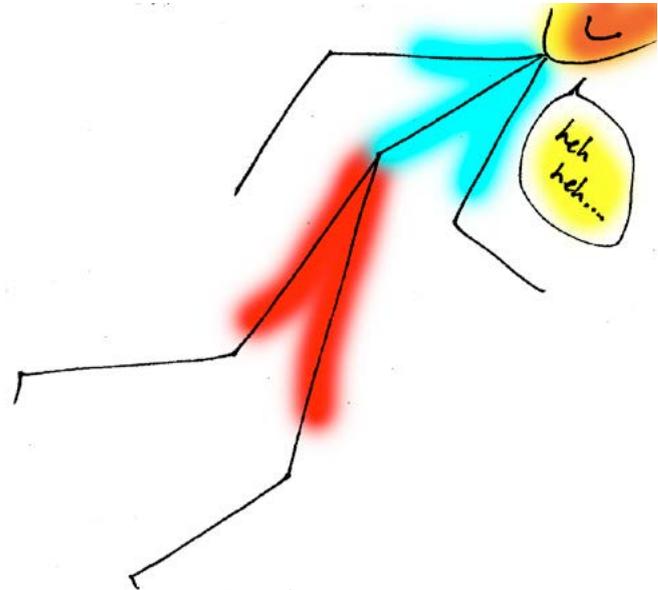

Chant your chant over and over...

and
over
and
over....

Before you know it, your
Vibrations will be so Aligned
and so High, the
Dictator and the
General will be
left Far Behind!

Your Financial Sign

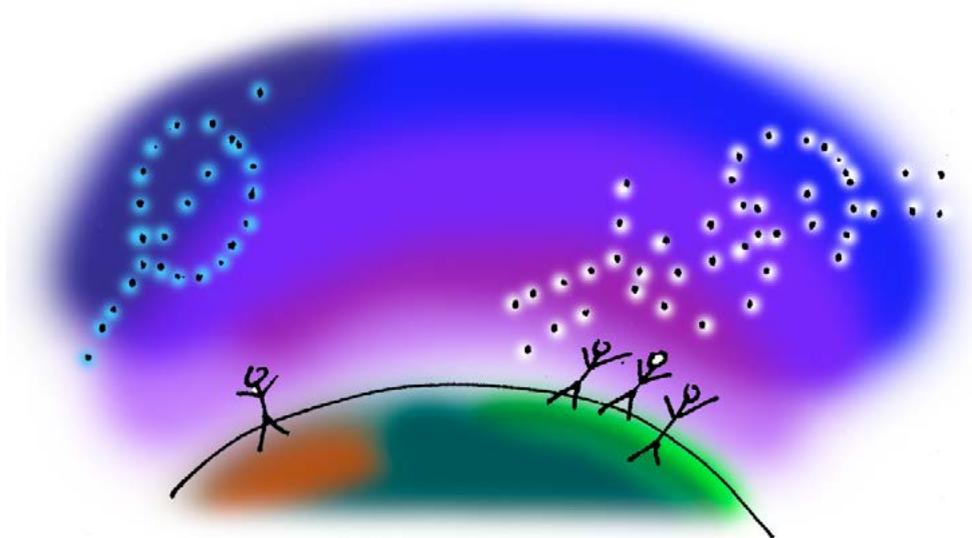

Now, did you know that whoever designed the Zodiac LEFT OUT two Very Important Signs???

(I'm guessing it was because telescopes weren't invented yet—particularly Inner Telescopes)....

These two signs are:
Poverty and Prosperity.

Interestingly, unlike Conventional Signs, under which you are born, these signs are ELECTIVE. You can actually move back and forth under either one's influence!

Make sure you *always* Align Yourself
with the Sign of Prosperity!

ROLLO-RING TECHNOLOGY

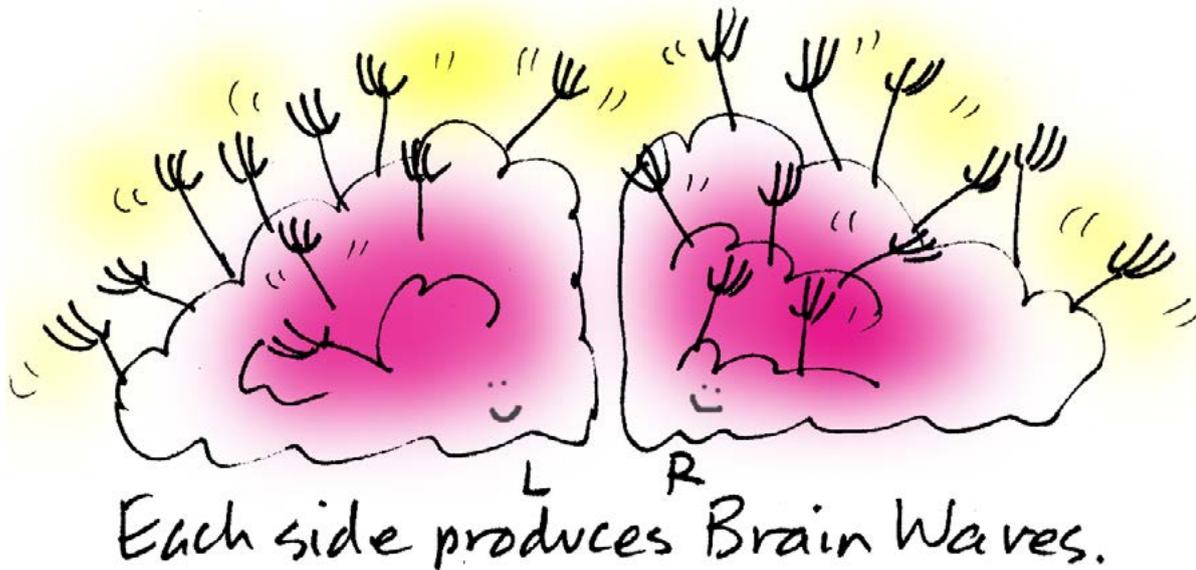

This technique is new and old. In the Most Ancient Traditions of this World, they say *All is One*.

They say we Have It All. And the Way to Realize It comes through Meditation and Hard Work on Yourself.

Nowadays, thanks to Greatly
Advanced Technology, we have
something called Rollo-Ring.
It's even easily attainable!

The Rollo-Ring method is said
to produce **Awareness of**
Oneness without hour upon
hour of Grueling Meditation.

You see, our brains have two sides:
Left Hemisphere, and Right.

Each side produces Brain Waves.

The rhythm of our Brain Waves can get knocked out of place through trauma, shock, war, grief, loss or pain. As a result, some Brain Waves start to vibrate too fast, and some fall into shock.

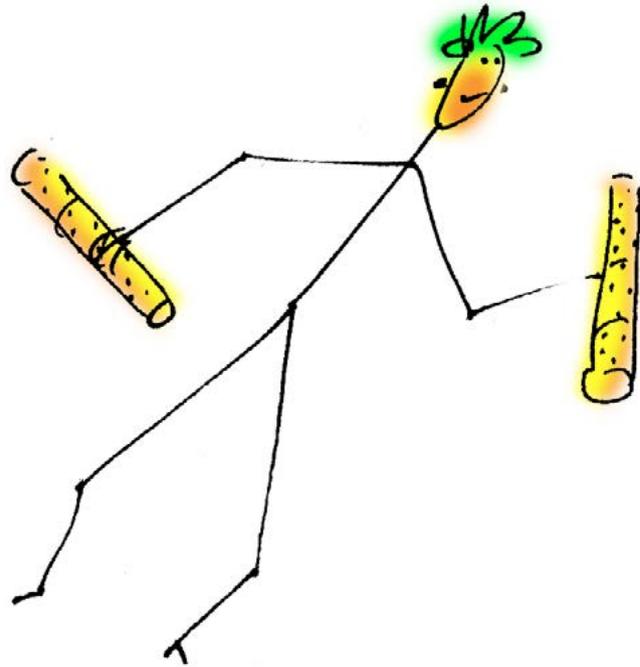

Some even die!

If you could somehow get all your Brain Waves to Dance the Dance of Alignment, you'd automatically start—and continue—to feel Much Better. Fortune-Ately, since we live in an Age of Amazing Technology, you have access to Rollo-Ring!

Here's what to do:

Go right down to your local World Trade Store. Get two small Amazon Rollo-Ring-Rain Makers (you can move up to bigger ones later!).

Now get a large, stainless steel mixing bowl (a used one from Good Will or

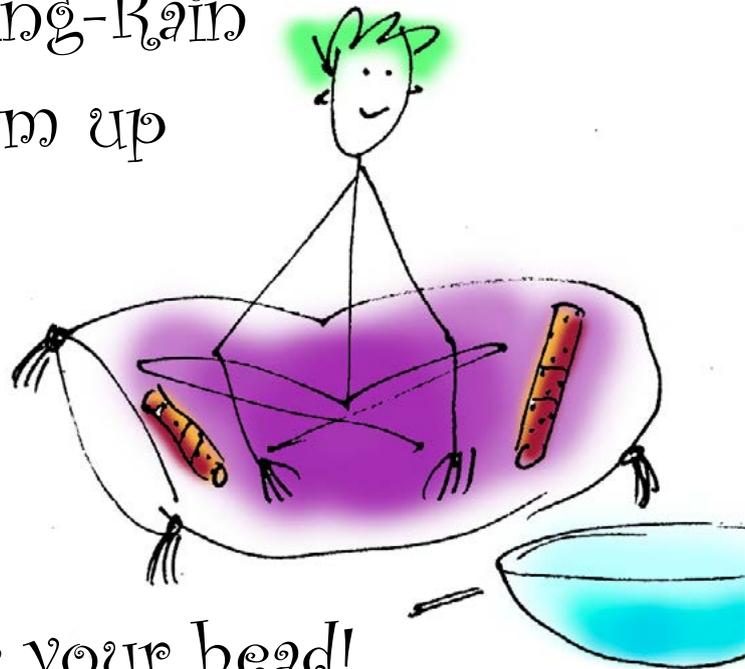

Salvation Army will have a lower tone); then find a small stick about the size of a pencil.

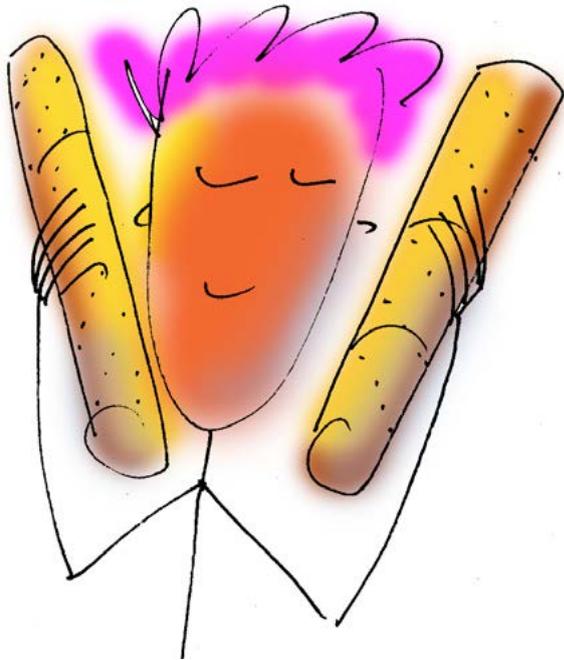

Now you're all set.

Place your new Implements by your Special Sitting Place. Go ahead and Sit. Grasp your Rollo-Ring-Rain Makers, and put them up next to your ears.

Shake them heartily, allowing their tinkling sound to reach right inside your head!

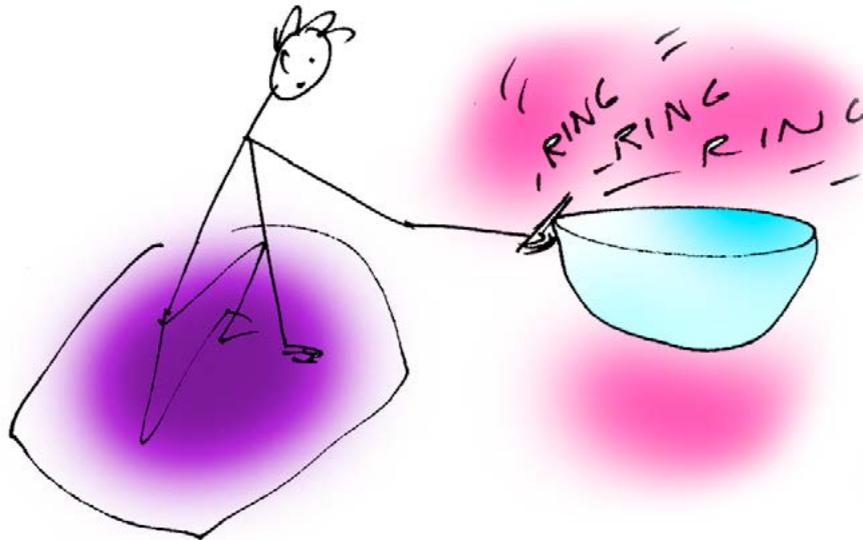

They sing! Surprise!

When the Rollo-
Ring-Rain Makers
have stopped “singing,”
invert them, and let
them begin again.

Repeat at least 8 times.

Put down the Rollo-Ring-Rain Makers.
With the Small Stick, ring the Bowl by

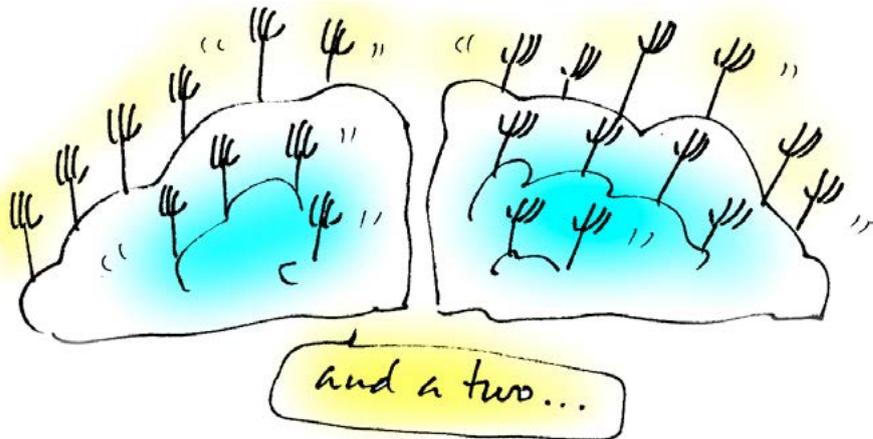

lightly
striking its
Edge.

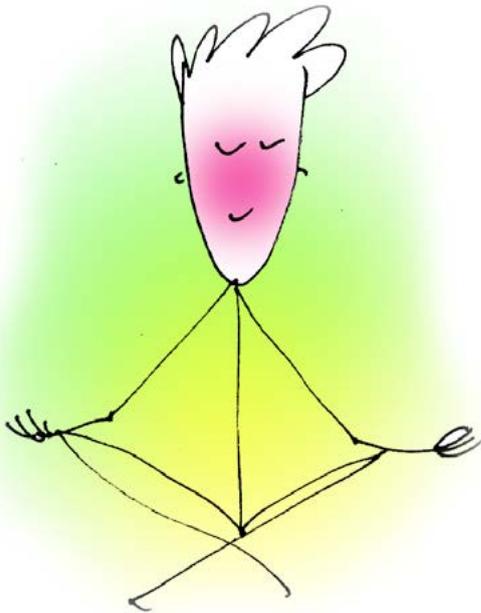

When
the last Ring

becomes quiet, sit back and **feeeeeeeel**

how the Sounds...

...have **aligned** your Brain Waves!

Continue to Sit Quietly.

Feel and Appreciate your
feeling of Well-Being.

Take 8 Deep Breaths in,
and out. In, and out.

Open your eyes when
you feel ready.

Sing!

Sing to Money! Sing to Love, Sing
to Prosperity, Success,
Happiness, Satisfaction—
you name it! **Sing!** Your
resonance will attract
the very thing you sing to!

Here are some Songs that
Happiness and Money just adore:

You Are My Sunshine

I'll Always Love You

I Just Called to Say I Love You

Imagine

You Are My Only One

I'm sure you can think of more!

Sing all day as you go about your
Work and Play!

And success, Prosperity and Money
will surely come your way!

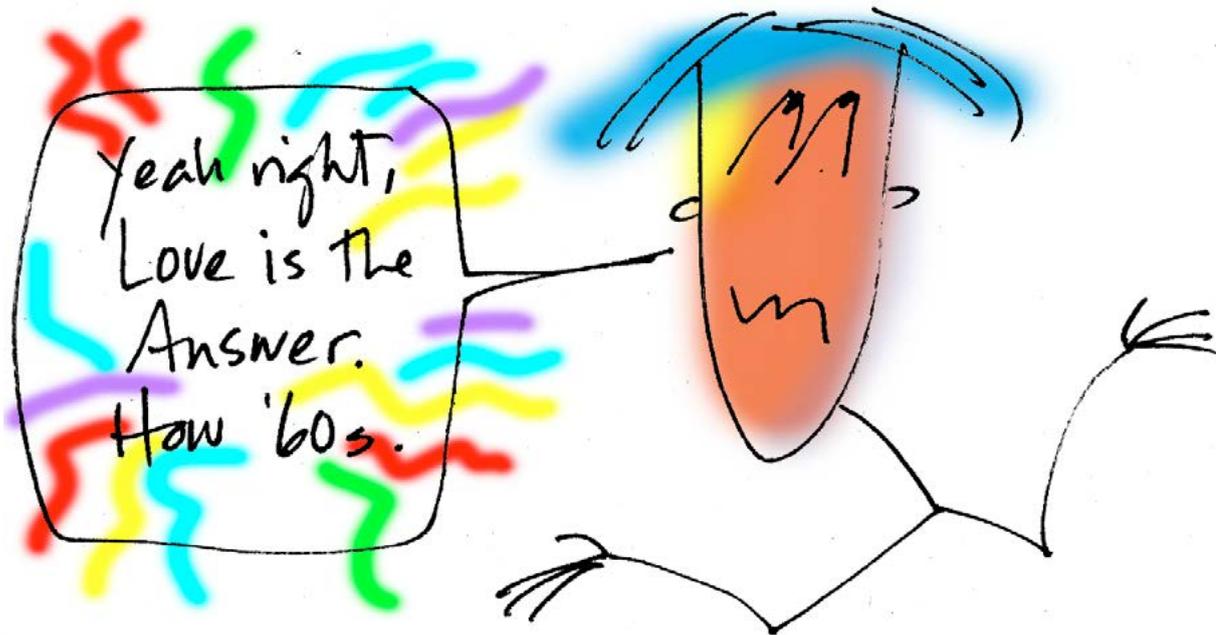

OK.

Now you've heard
what "They" say.

Now I'll tell you what
works for me.

Love is The Answer

You probably think I'm kidding,
don't you?!?

But I'm not kidding!

See, Love sees us as *Already Whole*
and *Already Having* What is
Already Ours!

If you can Dream Something Up
and Want it, it's Yours *Already!*

Love sees us as *Already Whole*—
Not a Hole to dump stuff into!

Love, seeing you as Already Perfect,
Love-able and Whole, tries its best to give
you what you want!

But, Sometimes, the
Doubts, Beliefs, and
Limitations that you
Imagine upon yourself
stop the Great Stuff from coming to
you ! I bet you know what yours are!

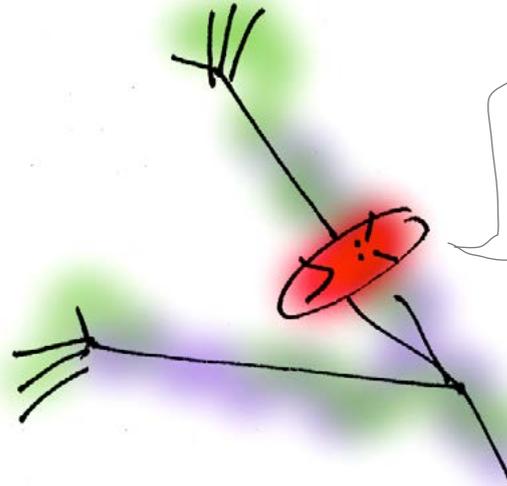

Part of you is going like this:

GOOD
STUFF

Only poor people
are spiritual. so
better be poor

Money is evil.

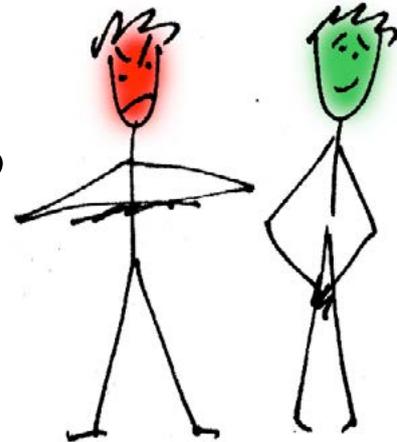

STOP!

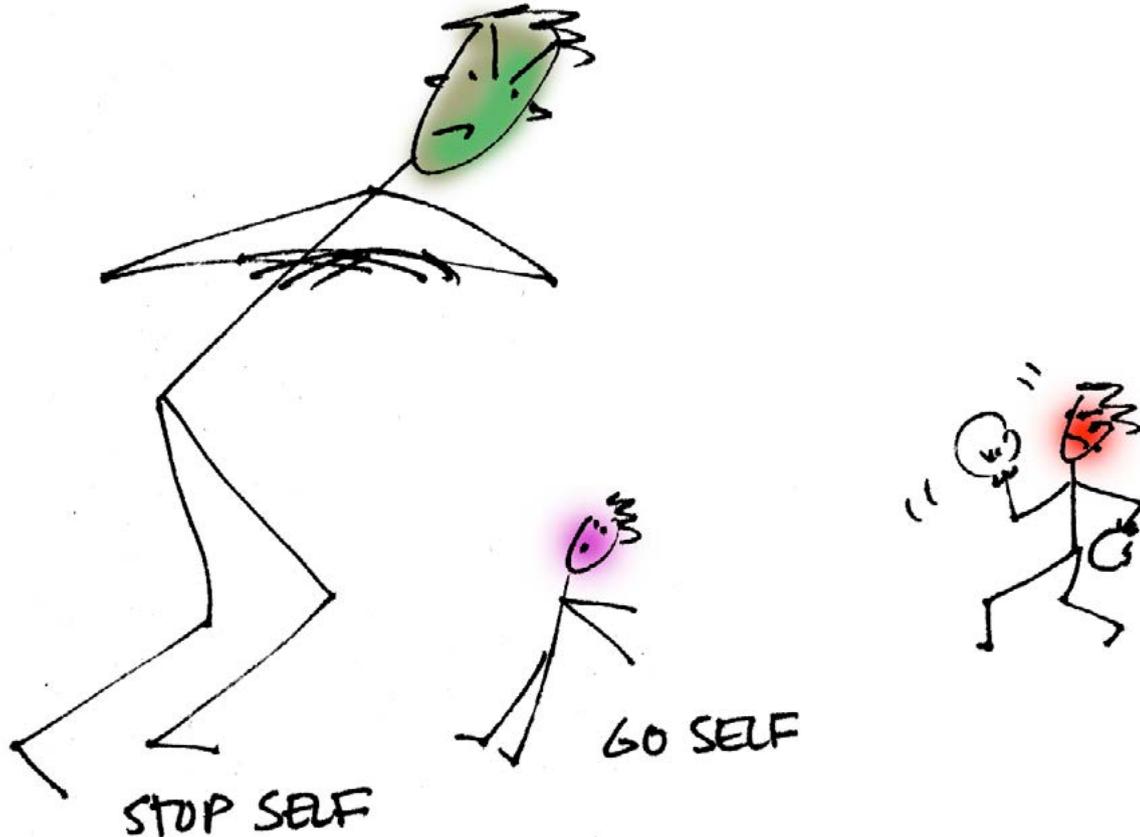

While the other part is still wishing!

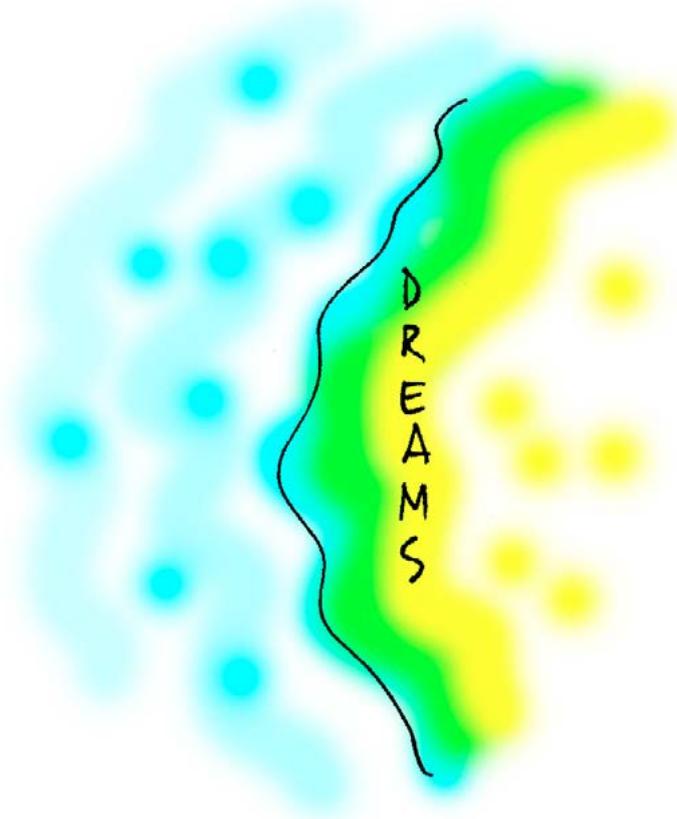

That wishing part gets so confused when its wish doesn't come through!

Get your Doubting Self out of the picture...

...so you can Focus on What You Want!

Because when you **Feel Good**, the
Good Stuff drops right in!

If you can love yourself the way Love loves you, and get out of your own way, all people, places and things, events and Love that are already yours can just plop themselves right in your lap!

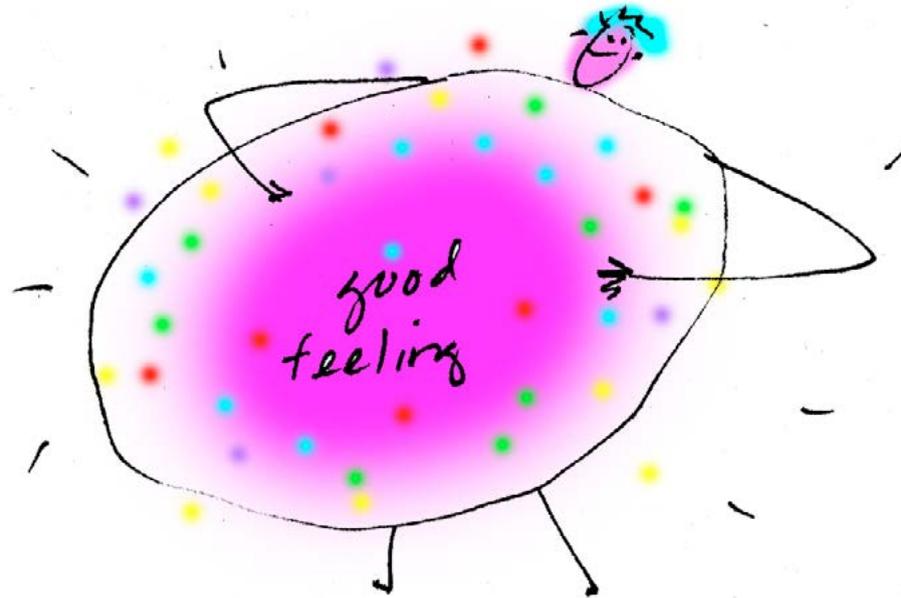

Remember that Every Moment
is an Opportunity
to Love Life!

Being able to Receive is Very Important:

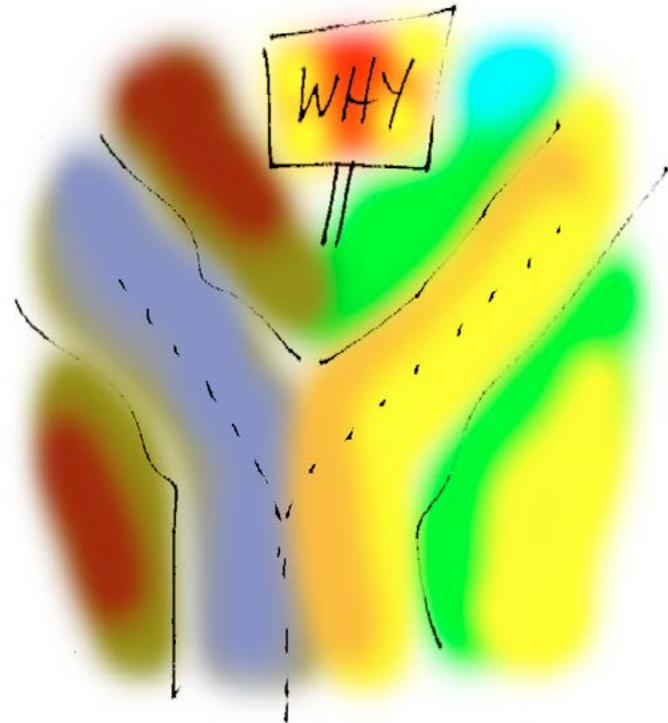

FEEL how Good that Feels!

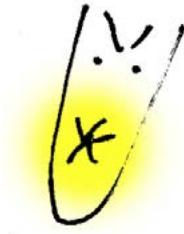

Exhale, and
Breeeeathe it in
again! And again!
That's great!
The more you
Appreciate and
Receive,
the more you Have!

And when you get to the
Why in the Road,
ask yourself:
Why suffer,
when I can enjoy
my life as it is
Right Now?

Every day, hour, minute, second
and MOMENT, you have a Choice:
You can either Suck Lemons,

JOY

You can choose to
In-JOY
your life!

Here's The Secret:
There **is** no One Big Secret!

Just several Small Keys.

Toss your Doubt away

Take Every Opportunity to Love Life

HAVE FUN * No Matter What!

Open to Good Stuff

Receive with Gratitude

Then say, "Next!"

Repeat

And the Money will Come!

Now *that* feels Great!

So. Love **IS** the answer.

THAT'S RICH.

The End

...but stay tuned for some more Good Stuff... >>>>>

Author's After Word

Despite all odds, I've been able to hang on to my own weird sense of humor, no matter what anyone else thought or what the circumstance. It's allowed me to be Totally, Richly Me, and happy to be so.

I'm so grateful for my equally strange, wonderful and irreplaceable friends who send me odd funny emails and join me down at the beach on starry nights to hoot and holler and howl at the moon, and who are beyond value to me.

Lying beneath it all, of course, having been a dedicated Flower Child of the 60's, in the essence of a hope and optimism, part of a whole generation spurred on by John Lennon's powerful dreams:
